P.C.

1. Heard.

2. There is delay of 82 days in filing the Letters Patent Appeal.

3. The application is strongly contested by the Respondents on the ground that the Appellant is a chronic defaulter in this respect and therefore, the Court should not consider his

application, as no good and sufficient reasons are given explaining the delay. In order to give a fair opportunity to the Appellant, Court is inclined to condone the delay subject to costs of Rs.1500/- to be shared equally by the Respondents.

4. The amount of costs to be paid within 2 weeks.

5. Matter be listed on board in due course for admission.
